At the suggestion of Supervisor Antonovich, and on motion of Supervisor Burke, seconded by Supervisor Yaroslavsky, unanimously carried, the Board directed the County's Legislative Advocates in Sacramento and Washington, D.C., to support legislation to fund the inland port in the Antelope Valley, which would transport freight from the County's ports by rail to a terminal in the Antelope Valley where it may be picked up by truck and distributed to the rest of the Nation, thereby reducing truck traffic on County freeways, improving traffic safety, mobility and air quality.
